

Community Events & Volunteering

Developing the power of strong inclusive communities

In addition to developing a connection with The Steve Browne Foundation, people attending our **events** can build relationships with each other and strengthen the **community**. There's power in attending an **event** and seeing other people who support the same cause, follow the same blog, or support a **local** team. Meeting like-minded is a powerful experience. Local events are a great way to bring everyone together and breakdown barriers. These are some of the events that we aim to organise and/or support

- Street Party
- Sports Festivals
- Music events
- Organised performances
- Film screening
- Gardening together
- Swap shop

Volunteering- Give your time

Make a difference in your local community and volunteer.

Volunteering can be an inspiring experience and can also provide essential support to community organisations and individuals where resources may be limited.
